Rene and Richard, On behalf of the Duplantis family, I want to express my deep sadness at learning of Mercy's passing. I had the very good fortune of seeing her at Forest Manor when I went to see my dad there and I thought she looked wonderful. Some of my fondest childhood memories were spent sitting on the counter at the store on Columbia Street, eating those huge cookies that Lili and Mercy would give me. They were an important part of our lives and they will be missed. We offer our deepest sympathy.

Rene, This is Margaret Weber and Mindy (from when Mercedes was at Forest Manor)...we still talk about what a wonderful woman Mercedes was. We called her every now and then (usually when football was going on) to tell her we were thinking of her. We are sorry for your loss.

She was like a rock and a kind and wonderful lady. I think she knew more about football than most men! We will miss her but we know that she is in a better place.
