Dear Terri and family -- My deepest sorrow for your loss of Sam. I've thought of him often since we roomed together at LSU. He had a warm and engaging personality that created a lasting memory. In the years since, I have never spoken to Sam that he didn't refer pleasantly to you Terri, and your children. He seemed very happy and content with his life, and those are the hardest ones to let go. My thoughts and prayers are with you as you proceed without his strength.

I have missed so much about Primary Colors since I made the decision to leave and Mrs. Terri, Tracy, and Mr. Sam are at the top. I will miss his sarcasm, his many stories, his advice, his kindness, and his humor when I came up with more work for him to do! I know he was a man of great faith and is finally home with his creator. Mrs. Terri and Tracy I pray that God gives you peace and comfort knowing that Mr. Sam is with him and that he will still be with you in your hearts and memories! I have very special memories of Mr. Sam - some of him and Jenny forcing me to learn how to unclog a toilet or catch a snake/spider/duck, how to properly kill ants, teaching me how to use a drill, or the many stories he would share during some of the busiest times of the day (rare and precious memories that came with the package) I know I chose to leave PC for my family but so much of me and my heart will always remain there, with those kids, and with your family. Much love and prayers from me and "babycox"!!
