Willie, You were one of my boyhood heroes. A veteran, a sports enthusiast, another father to me and my friends who was all ways ready to teach and play. At times you were as close as my father to me and my respect for you is the same as it was and is, for him. I hope that where you are now you and Heinie will get together again for a "cold-one" and share some crawfish. He will be glad to see you. Love Tuddy
