They say everyone dies but not everyone really lives. I believe Faruq lived his life to the fullest and left behind a beautiful family and wonderful memories. I believe you will reunite again one day somewhere, where there is no more parting. I feel your sorrow and wish you strength at this difficult time.

Dear Ruth, Fuad and Nayla. Please accept my sincere condolences. Faruk was a very special man to me and I always enjoyed his company, his stories, his humor and the wisdom he shared about life and what was important. He seemed to have a gift for putting things in perspective. You guys have always been family to us and I am sure he now joins my Mom and Dad in a much better place. Like them, he will live on in my life.

Dear Ms Ruth, What I am feeling right now is hard to put into words. He was a sweet man with a warm genuine smile. He was a take charge, no nonsense person who had no problems verbalizing what he wanted. He often shared stories about his homeland and his family. You are both very special people and I have grown to love both of you. I am so sorry he is gone. I would like to visit with you when you are ready. I will keep in touch and both of you are in my prayers. Love you, Nurse Nancy
