I was honored to have had the time to care for Mr. Andry and his family. I did not know him, but for a few days, but could tell in an instant the love and affection that he felt for his family and they for him. I am glad that he was able to pass away at home, as that is where he wanted to be. I know that he is playing golf at the "Big Golf Course in the sky!) He is walking, swinging his club and as healthy as he was before his sickness. May God bless you, his family. Thank you again, for giving me the opportunity to care for him. Love, Alden Tryforos

Martha and I send out our prayers and sympathy for Buck and his family. We all grew up in Algiers, graduating from Behrman in '54. I remember Buck from Boy Scouts of America Troop 4 in the late 40s. He joined the staff of Freeport Sulphur Company in the early 70s but missed the Air Force so badly, he re-enlisted as a Major, piloting C5A aircraft. Although we lost contact with him, those of us working and residing in Port Sulphur all remember his confident military demeanor, his sophisticated humor, and effervescent personality. We loved listening to him relating stories about his escapades as a fighter pilot in Viet Nam. We truly enjoyed his company. Please know that he touched our lives while he was here.

Janice and Family- Our prayers have been with you and Buck... May our Lord hold him in the palm of his hand, and grant him His peace forever!...I have many wonderful memories of Buck- always a very tough competitor in Taiwan & North Carolina golf battles, skiing with him in Colorado, his warm friendship and graciousness....but most all, his steadfast love for you, Janice, and his family...Truly a life well-lived and a very fine man!
