April, Bubba & Family, I'm sorry we weren't able to be there today. We love and miss all of you very much. My mom said that everything went fine today and that the funeral was really nice. The picture of Aunt Stella is so nice and the write up was really good. We'll miss her. I was telling Heather today about when she used to perm our hair and how much we loved her to do that. Our thoughts and prayers are with you. Much love, Julie
