It saddens me to hear that a man so young and full of life is no longer with us. As a member of his highschool class, I am deeply touched by his passing. Now I am sure that he is in the great "cloud of witness" awaiting to have another Rhodes reunion in the sky !

I just saw his death notice in the Daily News in NY and saw him this past September. He used to do my taxes when he worked for Gilman and Ciocia. I never thought he would pass on this soon. I hope he is now at peace.
