I am not sure exactly what to say to people I am related to but haven't known for such a long time; I know that I am truly sorry for your loss and truly touched by the slide show of what is obviously a beautiful and loving family. I wish I was able to attend the service this weekend, not only to pay respect and extend my sympathy, but also to connect with y'all after so long. Please know your family is in my prayers.

We are so sorry for the loss of your husband and father. May the hope of the resurrection bring you comfort and draw you closer to our Heavenly Father, Jehovah God. We all look forward to the day when Bro. Barbee will be brought back along with all of our loved ones....but, without any aches or pains. It was nice to see pictures of him as a younger man. It's exciting to think that's what he will be once again in Jehovah's new world. We have so much to look forward to.... so much. And we have Jehovah to thank for that. We love you. You will be in our prayers. Love, Joe, Nola, and Kaden

My dearest Sister Barbee, As I have told you, Brother Barbee has completed his course on this earth, but what ZEAL he will have in the new system with the rest he is receiving. Without our hope and faith in Paradise what is life worth. I am so happy I have come to know the Barbee family and becoming part of Jehovah's Organization. My love and support if you need me is always available. Also I would like to offer my love and support to Pam, Tommy and their mates. With Jehovah's help the load you are sufering will get lighter.

We are so sorry to hear of Tom's passing. It was unexpected. The memories of his younger years still linger. He was such a strong, hard working man. He loved his family, but most of all our Great God, Jehovah!! He labored tirelessly in the ministry and as a shepherd. Our thoughts and prayers are with you now. We can't even begin to imagine your pain. May Jehovah's loving arms encircle you all at this very sad time while we await the "call" to Tom to rise again in the resurrection. (Job 14:13-15).
