To Louie, who I love so deeply, I will miss you for all eternity. Eleven years doesn't compare to the lifetime that we could have shared together, but I will cherish that time that we had. Your kindness, laughter, smile, and love will shine bright in my heart forever. I'll always wonder what could have been, but I'm honored to have been with you until the end. You might be gone, but your SPIRIT will never leave me or anyone you've touched. Rest in Peace Louie. You'll always be my shining star!!!!

Anne & Bridgette, I wish to extend my deepest sympathies and condolences to you and your family. I was saddened to hear about the passing of your brother Louis. Though I am not sure there are adequate words that I could express to make the pain go away, I do want you both to know that you will see him again and he will live again just as our Savior has. I am always grateful for the Gospel of Jesus Christ, the plan of life and salvation. Our Father in heaven can bind up broken hearts and he can dispel sorrow . It is the will and plan of our Father in heaven that we shall live on, that we have not finished our existence when these bodies of mortality are laid away in the grave. I promise you that there will come a time, through the blessing and mercy of God, when we will no more have sorrow, but joy when we think back on the lives of loves ones lost. The Lord strengthens us as we acknowledge his hand and accept his will. I know our Father in Heaven loves you and I know he loves Louis. I testify to you that you will see and live with him again.
