Saul Bersin

AUG 12, 1946 - JAN 4, 2013

Saul Bersin, age 66, passed away peacefully at his home in Madisonville, LA Friday, January 4, 2013 at 5:50AM surrounded by his loved ones.

He was born in Shreveport, LA on August 12, 1946 to Raquel and George Bersin. Beloved husband of April Bersin. He is survived by his step-mother, Ethel Morris; brother, Edward Bersin of Houston, TX. Loving step-father of April and Nick DiFabrizio of Sun, LA and many nieces and nephews.

He was a dedicated and respected manufacturers representative for many years. He was generous and gracious to all leaving good memories of his love of our travel down many adventurous paths with traveling buddies.

His loss will be shared and remembered by many loyal friends who supported him on his long and difficult journey. He was a compassionate and generous humanitarian, honorary member of many animal charities known for the love of his dogs.

“Saul had the ability to view life and the events in life with a unique rational perspective, always followed with “Saul” humor...with a contagious laugh that you couldn’t help but laugh along. Saul was often labeled as antisocial. I remember Mom using “Saul” as an adjective. If I don’t want to attend a social event, I was pulling a “Saul”. The fact is Saul was simply unpretentious. Crowds were just not his thing. One on one with anyone in the room, and he was engaging. All together, not interested. Oddly, this may be one of Saul’s characteristics that I found interesting. Maybe Mom was right. I’m not sure if we will be gathering to remember Saul, so I wanted to share a few thoughts. Ron”

The family would like to offer special thanks Hospice Compasus and Fr. Frank Giroir of St. Anselm Catholic Church, Madisonville, LA.

A celebration of Saul’s life will be held at a later date.

Saul Bersin touched deeply so many of us fortunate ones who knew him and loved him. He was genuine and good. He loved his family and friends very much. We loved him dearly. My mother and our family will miss Saul everyday. I am lucky and grateful. For may hours in recent months I was able to sit with Saul and talk with him and listen to his stories from childhood, and early adulthood and many of his colorful life experiences. It was more of a celebration then sadness as I got to learn much about Saul as a person and who he was-from my own perspective now. Hed did'nt know this, but of the myriad gifts he bestowed upon us over many years, this was his best and my favorite-him sharing his stories with me. I will forever cherish our candid, honest and open conversations and the wisdom from this very smart and loving man. Thank you Saul. Rest in peace and God bless you. Love April Jr.

Although it has been a long time since I have seen or spoken to Saul, he will always have a special place in my heart. We became best friends in the 5th grade and stayed as very close friends all the way through several years of college. I know he will be greatly missed by many friends and family. I do plan on meeting up with Saul somewhere in the great heaven above. God bless you Saul.

To April, and Bersin family, I share in your loss, and must tell you that years ago, when I struggled with personal problems, Saul was not only supportive, but a true friend. He helped me through some very difficult times with His wisdom, and " Saul " humor. He use to tell me: " Keep things in perspective"...Saul was a very intelligent man who I will always remember. My prayers are with you. A Friend, Wayne LeCompte

Dear Saul, I regret that I never got to tell you how proud I was that you were a member of our family. Smart, savy and with that wonderful dry sense of humor, I couldn't have asked for a better brother-in-law. You were kind, compassionate and generous to a fault with all God's creatures, human and animal alike. I believe you were the closest soul to St. Francis I have ever met. Rest in peace dearly beloved Saul.
