I am so so so sorry to hear about Brother Julius. When my Paw Paw died, I viewed him like a grandpa and his death has been so hard on me too. I was telling mom how I'll never forget him giving me my first glass of wine, he was such a kind and loving man. Due to my being disfellowshipped, I couldn't tell him how much he meant to me, but I loved him so much too, I just hope he knew that. I know that I love you too and I know that you cant talk to me but I know that he loved you immensel

To the Billiot family we would like to offer our sympathy. We have only known Julius and Joan for a few years. But the short time we've known him he has been a true friend and brother. We look forward to the time when we will all see him again in the resurrection. He loved Jehovah God and we have faith that he will remember him. Joan, as you cope with this great loss, we will be there for you along with the many friends in the Abita Springs Congregation.

I may have only met you once. I remember you and Mrs. Joan coming to my home and sitting under the carport talking for hours and laughing out loud with Byron, Nolan and Mrs. Ollie. That was a good day. That day will always be my best memory of you. Bonnie Billiot

I LOVE MY JULIUS !!!!! His spirit has always been felt by me. There are way too many occasions when just thoughts of Julius brought joy. He was mentor on so many levels of my young manhood. It amazes me how God places someone in your life to help you through small almost meaningless problems that once conquered allows for later life strength that is indestructable. His faith in JESUS THE CHRIST embodied in me an insatiable desire to Jesus more perfectly...a journey that I knell to daily.... I LOVE MY JULIUS !!!!!!!
