Billy and Lori you know we will miss Mary very much. Always trying to think of the good things that happened with our two families, I will never forget what your mother ment to my father. He loved Mary very much and I'm sure she was responsible for adding many more quality years to his life than we can even imagine. She will never be forgotten by the Hines family. Sincerely

To the family of Mary Bomboy: I only knew Mary for a short time but during that time she was a gracious and kind person. Being one of the Bingo Belles at Botanica Apts. we always took a break with the bingo, and we had many conversations about families. She will be missed. God will give you strength during this time of sadness. Mary will looking out for you.
