Boyce Family; I am so sorry to hear of the loss of Lew. I had worked with Lew thru the paper business in the 90's and 00's. He always brought a smile to my face when his Harley clock would go off, making sure I could hear it. The tales of his road trips and the enjoyment of his Lab were always a welcome break to my day. May you find comfort knowing he touched many lives.

I am so sorry and so sad for your loss. Memories of vacations, 4th of July, Christmas Eves...I have lost a family member because you are all family to me. Lew would stroke our hair and talk about loving long hair on girls; I remember being so scared to see Lew after I cut my hair! I don't think he even realized! He was so scary when he got on those boys, but so gentle with us girls. Y'all don't know it, but I think of you often. I guess you take family for granted sometimes, thinking they will always be there. I am so sorry so much time passed; I would have loved for Lew to meet all of my girls...maybe stroke their long hair. They would have made him laugh that low, staccato chuckle he had! I will miss him. I am sorry I can't be there; know that my thoughts, love, sympathy and prayers are with you.
