Kelly, Boots, and Roland: I am so sorry to hear about your loss. My heart and prayers go out to you. I knew Terri through Kelly during our last years of high school. It was easy to tell, even at that age, that she was gifted and much wiser than her years. She was truly a beautiful person who cared unselfishly for others. Your family will always be in my prayers. Terri is one of my oldest cousins. There are 11 of them and each one has a special place in my heart. I have tried to think of the best way to describe how Terri has touched my life. I have come to the conclusion that it is indescribable. What I can explain is that there is something missing that will never be replaced. Maybe it is her smile or her laugh. Maybe her loving nature or her recent perseverance. Whatever it is doesn't matter. What matters is that there is one more star in the sky tonight that shines brightly upon us. I will never forget her presence, but I look forward to talking to her as I look into the sky and see her shining above me. Uncle Roland, Aunt Boots, Kelly, Roger, Marty, Trey, Trent, and Trev I am thinking of you all and can't express how sorry I am. I love you!!!  
Love Always, Emily

We were truly blessed as a family to have had Teri even for her short life. She will be remembered for her soft-spoken, sweet, and kind ways. Our hearts are broken and our spirits are torn over the loss of our precious angel, but she will live on in a special place, our hearts and through her boys. Teri's life for the past 25 years and battle with cancer touched every one in my family. We are deeply saddened. We love you Teri like you were our own daughter and will miss you always, Aunt Cindy and Uncle Ronnie

My dearest Terri, I can not tell you how much I miss you. You were my best friend. We shared so many things together and we were so suppose to do so much more. When you got sick you made me promise to look after Marty and those kids. Well I intend to keep that promise. The past year went by so fast but I remember you calling me to tell me you were pregnant for Trev. I am so sorry he didn't even get to know you. I know that you are at peace now but it doesn't replace the hole inside. I miss you with all my heart and soul and I will cherish all the times we had together. Rest well, you deserve it and until one day when we meet again. Just remember I will always love you. Angelle

Terri was my only sister, my only sibling. She was a great sister, a wonderful daughter to our parents, and a fantastic wife and mother to Marty, Trent, Trey, and Trev. I am sorry that Trev will not get to know his mom, but we will show him pictures, and speak of her always. I will miss my sister with all of my heart and soul. Terri, this should have been me and not you. I wish I could have taken this away from you. You have my word that I will watch over the boys, just as I know that you will. I know that I cannot replace you as mom's "shopping buddy", but I will sure try. Please look over us from Heaven, and send us a sign from time to time. Marty pulled a small flower from my hair yesterday. He said that it looked as if I put it there myself, but I know that you sent it to me. I will keep it forever, but please send me more signs. I am very anxious to hear from you. I love you. With all my heart. Yes I do. Get some rest. You deserve it. Love, Kelly
