Our thoughts and prayers are with all of you during this difficult time. We know the pain all to well. And while it is a great loss take comfort knowing that she is no longer suffering. From our personal experience as you face the days ahead try to only remember all the happy times that were shared with her and that has left you with you a lifetime of wonderful memories. As you return to life's routine may you all feel comforted by the love and support of all the lives that she touched. With Love, Aunt Pauline, Jean Ann, Cherie, Corey, & Corey Jr.
