Sorrowful you lost such a wonderful mom. Looking at that picture I can hear her chuckling before she came up with the next idea she had. She and mom (Betty Corales) were such good friends when they were younger and had so much fun together. Scott, surely you remember who she is. Dale, I know you do. Your families memories with us are precious to us. Even remember Maude. Mom is our loss too but heaven's gain. And, I know, she has now met up with Betty and they are concocting redecorating the heavenly space. Asked about your mom when I saw Miss Audrey at mom's funeral. Long illness, brave woman, good woman...you all were blessed to have her.
