Our deepest sympathy to Dr. Burvant and his family. Dr. B was one of the nicest and most caring men with whom we have had the pleasure of knowing through many years. So generous and kind with his sharing of vegetables in his garden to my family. He will be well remembered and never forgotten. May you find peace through this difficult time and know he is always watching over us with his beautiful smile. We love you all. Monica and Al

On behalf of our Bartels' family, we express our sympathy to the family of dear Dr. Burvant. We remember both Dr. Burvant and dear Mrs. Jean Burvant fondly. Our father, Dr. Charles Bartels, was a close friend and colleague of Dr. Burvant during their mutual dental practices in New Orleans. Dad so enjoyed fishing trips with his friends "Buck" and Dr. "Vic" Marquer -- as well as their active involvement in dental leadership in New Orleans and throughout the state. Likewise, our mother Ora Bartels always enjoyed her friendship and many bridge games with Mrs. Jean Burvant, a dear friend. May the family be comforted by the assurance of not only his many accomplishments, but his meaningful friendships.

Embree and Ed, I was on the obituary page for E. J. Fielding Funeral Home looking at my mom's obituary guest book when I saw that your father passed away. I am so sorry for your loss and I know exactly how you feel at this very moment. You have obviously followed in your father's footsteps as has your son. He surely was a proud father and grandfather. I know your family has faith in God and your strength comes from Him. What a blessing too that your daughter is in the states from Peru and can be with you. May you have a blessed service for your father. I am sorry that I cannot be there to join you as you so graciously joined our family on the 4th of February.
