One of my fondest memories of my cousin Mark is when we were kids aside Grandma's house-- watching his awesome skill at rolling inside a huge innertube across the front lawn. He was my hero!!! The most handsome boy in the whole family!!! My main prayer for Bonnie and Megan is for God's strength to carry you both through this horrendous time of grief ---wrapped in His loving comforting arms. Hold on to your best memories and may you be at peace with the knowledge that Mark is now perfect, without pain, with his Heavenly family and you'll be back together with him in God's chosen time. My thoughts and prayers are on all the family and friends.

Words are just not enough to express our sympathies. Mark helped build many things over the years but most precious to him was his family. His keen sense of humor, side-splitting jokes and beautiful eyes will never be forgotten. May God give you both wonderful memories of his love and laughter to help you through this difficult time. We will always be just a phone call away... Yana & Danny
