My uncle Kent was such a fun man... He gave the greatest hugs ever... he never failed to tell me that he loved me and give me those hugs... one of my favorite memories is of watching a huge rain storm under an old abandoned boat shack with him and my dad, it was so beautiful we were in such awe... the countless hours spent upon the water... these are the things that I will tell my own children about my uncle Kent, we will never forget, we will always carry his spirit with us.

We are so sorry for your loss. I really enjoyed hanging out at Tokalon PI with Kent when we were young boys. I have many fond memories of our time at the Campbell home; listening to our families sing and play music together, learning to play pool, just how to have a good time. Those are memories of Kent that I will always cherish. God Bless all of you in your time of grief.

I just about never read the obituaries, but, for whatever reason, yesterday the paper was open to Kent's. I last saw Kent when we were in 7th grade, but I right away knew that was his picture. I always liked Kent. I remember the home on Tokalon Place. I am glad he had a good life filled with virtuous interests and people who love him.
