Dave, Mr. & Mrs. Williamson, and family, I am truly sorry for your loss. I have reflected on a poem, I have, that Linda wrote in April 1976, which she titled "The Mystery". One of the lines in the poem states, "Don't try to answer because no one knows". It is a mystery to me why someone so special had to leave us so soon. My Blessing to the family.

Mom wanted me to send a note: first she is sorry for this loss to the family. second: she remembered a sweet, caring and always smiling young girl. Always ready to help. AND very good for her daughter (that would be me) I would add that she was my best friend in high school! I would not have gotten married nor had my daughter, Stefanny, were it not for Linda. We LOVED Elvis, the 50s and my convertable that we would drive to Thibodaux and get malts! She changed my live...and it was blessed and better because of her caring about me. I hope that I was half the friend to her that she was to me. I love you
