Linda, I am so sorry to read about Dan in today's Sun Herald. Wish I could be there with/for you but I can't. Please call me when you can. My love and sympathy to you and all of the family. I've been right where you are and know exactly how you must be feeling. So, when things settle down, please give me a call and let's still meet for that lunch we talked about so very long ago. I love you, my friend.
