Dear Gaby, Michelle and Yvette, Your mother was such a sweet, lovely woman with such style and grace. I'll always remember her sipping her tea from her dainty china cup and saucer while designing her beautiful pillows and satchets. She taught all of you by example to love animals and she was so happy to be surrounded by her daughters. I know she will be missed but she will always be with you. Please know that Glen and I are thinking of and praying for you during this sad time.
