My thoughts and prayers are will all of you in this very difficult time. Although I had lost touch with Kim over the years, she is one of people who you knew in the back of your mind would be there for you if you ever needed them. I was once told that God always picks the most beautiful flowers and he certainly has done so again in Kim. Kim was fortunate also to be one of the lucky people in life who found true and unwavering love in Ann. I know they are up there today rejoicing at being together again.

Our family will always rememeber the fun we shared with Kim through the years. She was with us for many picnics when we had our house on the Tangipahoa River. Also, none of us will ever forget our trips to away games to cheer on our Amite Warriors. Kim was a terrific young woman, outstanding law officer and a steadfast friend. Rest now, dear Kim as you join those who have gone before you, especially you beloved Ann.
