Christine Ann Chachere was entrusted to God's care on Tuesday, March 18, 2008 at the age of 57. She was born in New Orleans, was a resident of Kenner for over 30 years and at the time of her death resided in Covington, LA. She was employed as Administrative Assistant at Lakeview Regional Medical Center. She is survived by her husband Tilghman George Chachere, IV; one son, Buddy Chachere; three sisters: Charlene Cucullu (Lionel, deceased), Cheryl Despeaux (Carroll), Cynthia Vaccaro (Ronnie); her aunt Doris Berthelson Bayhi; sister-in-law, Lisa Chachere; brother-in-law, Mac A. Chachere; nieces and nephews: Stephanie Points Barker, Nicole Cucullu Veazey, Alisha Vaccaro Kennedy, Rachel Foley, Robert S. Points, Christopher G. Cucullu, Nick A. Vaccaro and Adam Foley. She is also survived by many great-nieces and nephews and cousins. She was preceded in death by her parents, Corinne Gelpi and Fred E. Berthelson; father-in-law, Tilghman G. Chachere, Jr. and is the daughter-in-law of Lavicia McDonald Chachere. Chrissy was part owner and travel consultant for Travel Haus, Inc. in Kenner for many years and was a huge supporter of Tulane Athletics attending both football and baseball games. George, Buddy and the entire family thank their many friends and neighbors for their kindness and support during this difficult time. The family would also like to thank the nurses on the 4th and 5th floors, doctors and staff at Lakeview for the loving care given to Chrissy and special thanks to her niece, Alisha, for her caring support. Chris' spirit will live on through us until we join her in heaven. Relatives and friends of the family are invited to attend the Catholic Memorial Mass on Monday, March 24, 2008 at 11:00 AM from the chapel at E.J. Fielding Funeral Home, 2260 W. 21st Ave., Covington, LA 70433. Visiting hours will begin at 9:00 AM.

Dear George and Buddy: Now that the funeral is over, I suppose we are to pick up where we left off before Chris got sick. I know it's not going to be easy but we all know that Chris would want life to go on without skipping a beat. That's just the way she was. These past few days since Chris passed away, I've come to realize that Chris' fear of dying was not actually the "dying process" but the fear of how her two most precious people in her life were going to go on without her. We all have our own special memories of Chris but the pictures in the video say it all. She loved the both of you with all her heart and I know she felt especially safe in the comfort you gave her during her last days. You should be content with all that you've done for her. I'm sure she's smiling down on all of us and expecting life to go on. Never forget that we're here for you now and always. All our love, Cindy and Ronnie

I will not be able to attend the services due to work, its impossible for every one who admired and appreciated Chris to get off that day. Chris would understand that because she was devoted to her job, and all of us who depended on her. She gave every person the time , that she often didn't have, and always ending every encounter with a smile. That is how I will remember her-that smile, her sense of humor and her wonderful family that I got to meet while caring for her.

Dear Uncle George and Buddy, I know this is a hard time right now as it is for all of us. Be sure that my kids will never forget their "Kissy". I only wish I could've done more for her, but I guess in the end the best prayer of all was answered because now she is in a much better place with our Savior. Love Always- Alisha
