Was saddened to learn of Mrs. Champagne's passing, as Evelyn and I had just been discussing her mother earlier last week at breakfast, prior to her passing. I certainly know the difficulties of losing a parent, especially a mother, and my family's thoughts and prayers are with you at this time. Sincerely, Kahlil Turner (Co worker of Evelyn Crain)

Debbie, Sharon & Family It's hard to lose someone you love, but it is even harder when that person is your mother, whose place no one can fill. She loved all of you and will forever be close to your hearts. We hope that you can find comfort and healing as you adjust to life without her. Please accept our sincere condolences. To the Champagne Family (all of the bubbles and bubblets): This wonderful lady was very special to us just like all of you are because you make us feel like part of your family! She is now with your Dad (and Sidney) watching over all of us, just like she did when she was here. You all are testaments to the kind of person she was because of the true sense of family you always display to everyone. . .what a legacy she leaves! Nothing can take her place, but know that your Mother will remain in many, many hearts besides all of yours; her spirit will keep you strong and be there to guide you. Take care, all of you, and know that we share your loss and love you very much! Terri (Gonzales) and Norm Kreisman, Kevin, and Jarrod
