Here we are 14 years later, finding this sad obituary, I was at Fairfield University with Joe, in college. Such a fun guy back in 1972. Remember double dating with my now wife of 50 years and her maid of honor Betty Ann, scrunched in his VW Karman Ghia. Best to his family, John and Pam (née Sudeck) Hogan, Madison, NJ

Joe was a great friend! We are so sorry for your loss - we just found out! May God Bless you and your family - Joe was funny, kind, smart, and always stood by his principles. He cared for everyone - especially those who had very little. His nursing friends from 7 East at St. Vincent's - many years back - are all thinking about him and praying for him and all of you. God Bless - Diane

i remember Joe so well. He was a great doctor. He also was one of the funniest guys I ever met. He always made us laugh at St Vincent's Medical Center. We all loved him, way back when. May God Bless Him and hold him in his hand with the same gentleness he gave to his patients.

I know I don't have to tell you what a wonderful man your husband was. We met in the emergency room 6 years ago. My Mom had a heart attack and he was on call. Well he was the best thing that happend to her. He gave her 6 good years with a few bumps in the road, he was always there to fix her. She is at the end of her life now, so she will see him soon. My heart and prayers go out to you and your family. We will miss him.
