Shocked and saddened. Bruce and I worked together at Baker CAC (Baker Oil Tools) some twenty+ years ago. I had lost track of him several years back when I believe he went to California or some other place out West. He was one hell of a great guy. I really enjoyed having him in my group there at Baker. I am still so shocked over this I am stumbling for words. He always took such good care of himself - no smoking, drinking, or other destructive vices. I am so sorry I never got back together with him since he left Baker. You all have my most sincere condolences. Tragic that it seems only the good die young.

My heart felt sympathies to Bruce's family. Bruce and I were long time & closest of friends in high school, up until I went into the service in 1967. After I got out of the service we hung out a bit until my wife and I moved to Slidell in 1975. Since that time I've seen him only a couple of times since he moved back from Calif. I surely do regret not keeping in touch with Bruce more often. My prayers are with Bruce's family. Rest in Peace my Friend!

My sympathy is with you and your family. You all have been through so much and I am so sorry that you were unable to see the benefit of the transplant. My sister told me that the nurse taking care of Bruce also took care of my son, Kevin. Please know that I have prayed for Bruce and I wrote his name on the prayer basket cards in the chapel weekly. I will not be able to attend the wake and funeral due to exams, but I will be with you in heart and spirit. Love always, Mary Ann and Bill Haynie
