June 16, 2010 To a great friend. You have deeply touched my heart. I will remember all the good times we had traveling around Covington and getting you totally lost. You are a true friend. Always welcoming all neighbors that came into the neighborhood. Dave i know you have lost a great friend. You are in my prayers and thoughts. Sorry for your loss. But just think she is not suffering anymore. The angels have come to take her home

Terry and I are keeping Dave and the Jeanne's family in our prayers. We will miss Jeanne and her sense of humor and her cajun way of saying "Sha" and her other mannerisms. She was a lovely person and she will be missed by all who knew her. We will be keeping close touch with Dave to help him through this difficult and sad time. We know that Jeanne is in a much better and happier place and is no longer suffering and this gives those close to her peace to live on. May God Bless and Keep Dave and the rest of Jeanne's family during this time in their lives.
