Mrs. Paulette, you and your family are in my prayers at this time as well as the last year or so that you have fought this battle with cancer with Sal. I met him shortly after I joined the Y and he became like a family member to me. I feel so blessed to have met him. He was so encouraging and uplifting always, even through his battle. One of our last conversations was about the Lord, Jesus Christ. However, I did not realize he would be going home to him soon after. May the Lord be with you now and bless you with his presence and peace in your heart.
