Gone - But never Forgotten... Day by day I think of you, How can all of this be true? I can't believe you're really gone, I still hard to accept it, Just the thought of you makes me cry, I never even got the chance to say goodbye. Every picture, every letter, I don't know if it will ever get better. I always smell your familiar scent, It makes me think of all of the times we've spent. So many things I never got to say, I never imagined you'd ever be so far away. You were my brother, And I loved you like no other. In my heart you'll always be, You'll be my guide and help me see. I'll never forget your soothing voice, I would take your place if I had a choice. But now I have to let you rest, Although without you my world's a mess. I miss you with all of my heart, I wish we never had to part. I know you're always by my side, So now I guess this is my goodbye... Rest in Peace - Your light will always shine in my heart I Love you, Lisa

A Big BROTHER is such a gift. Every girl should have one. And mine was one of the Best. HE was my protector and someone to guide me. He was and is my Hero, and my Best friend. He Loved to laugh with me and share with me. HE was someone who was always there in the rough times and knew when I needed a warm smile. HE was someone who would quietly listen when I just wanted to talk for awhile. My BROTHER was and will be dear to me always, for HE is someone who will always be a part OF ME. And all of our memories will Forever be close to my heart.

Dad, You have suffered through pain, but never more, You are the Father that I adore. You helped me through times of need, You helped me battle envy and greed. You have never feared your fate, Now you shall rise to the Golden Gate. Standing by loved ones, side by side, With a voice as strong as the roaring tide. You have risen, like a phoenix from the flame, And you loved us just the same. So spread your shining wings of silver, crystals, and pearls, Now fly, For it is time to say.....Goodbye Your Loving Son, Dane
