Thanks to the family for sharing the word on this video tribute in memory of Leona's life. Please allow me to join you in mourning the death of Leona. She must have been a most beloved and important part of your lives, for in a very short period of time, she became a most important part of mine, here at The Windsor. Leona was always ready to listen and not attempt to resolve, to share her knowledge without belittling her receiver, to perceive without intruding....I just couldn't help becoming fond of her. It was her winning spirit that won my heart. You are most blessed to have her ways as her legacy. I join you in spirit now, as I am knee-deep in the process of moving from Apt.307 to Apt. 301. I will be with you in spirit today throughout the whole day. Eternal rest grant unto her, O Lord, and let perpetual light shine upon her. May she rest in peace. Love, Cookie Zibilich

Dear Suzanne,Larry,and family, Sorry to hear about Aunt Leone passing. When I heard the news a strong image came to me. I can remember when I was 14 yrs old and staying with Nana at Hamilton Beach. Joe and Leona were visiting us. Leona quietly entered my bedroom and was inches away from face when she asked me if I wanted to go pea-picking. It as 5:00am in the morning and she scared the life out of me. Needless to say I didn't go with them. Uncle Joe and "Mother". You were very lucky to have had such great parents. I also was lucky too – as they were a part of my charater building as well. Love too all, Jean,Chris, Kayleigh and Conor
