Fannie Dreyer Cusimano

AUG 28, 1913 - JUL 9, 2007

Fannie Dreyer Cusimano passed away on Monday, July 9, 2007 in The Woodlands, TX.

She was born in New Orleans, LA on August 28, 1913 to the late James Sidney and Lydia Rees Dreyer and was a resident of Covington, LA for 57 years. She was the devoted wife of the late Lucian Cusimano and is survived by her daughter, Carol C. Todd; two granddaughters: Tracy T. Pearson, Stacy Todd-Naquin and four great-grandchildren: Sitaara Naquin, Victoria, Marcus and Veronika Pearson.

Along with her husband, Fannie was a tireless supporter of the Covington Lions Club and was active for many years in the Covington Garden Club, serving as both an officer and a nationally accredited flower show judge. She was a member of the St. Tammany Parish Hospital Guild and was past queen of the Krewe of KaaCee and the Krewe of Juno.

Relatives and friends are invited to celebrate the Funeral Mass on Monday, July 16, 2007 at 12:00 Noon from the chapel at E.J. Fielding Funeral Home Inc., 2260 W. 21st. Ave., Covington, LA 70433. Visiting hours will begin Monday at 10:00 AM. Interment will follow Mass at Pinecrest Memorial Gardens in Covington.

Mrs. Fannie You always welcomed me and my children into your home as members of your family. You were like a mom to me, too. I thank God every day for the gift of letting me be there when our Lord called you home. It was where God wanted me to be. I had the honor of sharing the time with your precious daughter - my "sister" Carol. It is a memory I will always treasure. Rejoice in the presence of the Lord, Mrs. Fannie. Give Mr. Lucian a hug and kiss for me, too. You are never gone because you will always have a special place in my heart. You are our special angel in heaven. Pray for us.

As one of the former kings of Olympia and a member of Kaa Cee and Lions, I knew Fannie and Lucian quite well and I know that they were a credit to this community and will be missed. I will remember the children in my prayers and Fannie on gaining the greater glory. Ken & Leda
