Dear Daussat Family, My name is Ellie Platt and I was a student of Mr. Daussat at Louise S. McGehee. For both 5th and 6th grade. Now I am a Sophomore. I recieved an e-mail today from my mother telling me about this website where I can sign the guestbook. I might not be able to say this in person, but I know for sure that Anisley was a wonderful girl. In our old math class, when Mr. Daussat was teaching, he would talk about Ainsley all the time! As I sat in the desk in the back of the room near the penguins, I heard Mr. Daussat talk about every story possible of Ainsley! Even though it may seem like a long time ago, these little stories of Mr. Daussat picking her up from Little Gate and many of various trips still are stuck in my head! I might not have been close to Ainsley in person, but I was close to her at heart. You and your family will always be in my prayers and if there is anything I can do please do not hesitate and contact me. Always in my prayers, Ellie Platt
