I believe there were quite a few of us that went to school with all of his kids (10 of us). Mom said, when she saw the picture in the paper, that she remembered exactly who he was by his smile. She said he was such a nice man. Our thoughts go out to you in this difficult time and hold on to your lovely memories of him to get you through the days without him. Family of the late Sidney L. Carter (wife Gerry, children: Jim, Pam, Glenn, Joey, Denise, Dennis, Jay, Dean, Hugh and Todd)

June and family: Hope we are not duplicating, but in our first effort a thunderstorm was occasionally blanking out our PC. We regret not having been with you, but we were there in spirit and with prayer. To June especially, isn't it strange how friendships remain dear, in spite of distance and so few opportunities over years to personally nurture them. Of course, we say Lee and Sue pretty often and Berkley and so kept up with you and yours. Isn't it also for greatest comfort to know that our relationships with Jorby (and other loved ones) is only temporary and in that interim he (they) are experiencing God's Glory and just waiting for us to come and share that with him. God Bless you and family.

Joan, I was saddened to hear of George's passing. I considered him as a model for me as a young student engineer. I remember visiting with him at his office at Boh Brothers when I got out of the service and was looking for a job. I will keep you, George and your family in my prayers, Chuck Kasischke

My dear June, You and George have often been in my thoughts and prayers even though it has been years since we've seen each other. I was distressed to read of George's death in this morning's paper. I'll never forget his warmth and support, especially during our De Colores weekend so long ago. He was a kind and gentle man who never failed to uplift my spirits when he was near. My deepest sympathy and love to you. Going to Heaven is going to be an even greater pleasure now that George is there. Sincerely, Renee
