My deepest sympathy to all of you for your loss of such a wonderful mother you had. I will always have such fond memories of the time your mother and I shared while she lived at Garden View. She and I had lots of ice cream parties after I would end my shift. We danced at the parties if I was there and had lots of good conversation about her life. She loved all of you so much and not a day would go by that she wouldn't talk about her wonderful family and her 2 wonderful husbands. She loved her music and life in general. I will miss her deeply and only wish that I could have visited with her before her passing. I had plans to visit with her this weekend, not knowing that would never come to be. May GOD bless all of you and many thanks for the opportunity to have known such a wonderful lady. With my Deepest Sympathy, Madelyn C. Dugas
