Although I never had the opportunity to get to know Jen, I knew she had a beautiful spirit through what her mom, Debbie, shared with me. Debbie and Jim, I am so sorry for your loss. Take comfort in knowing that you will be reunited with your beloved daughter and son when you are called home one day. Until then, know they are in God's hands.

I will miss you so much. I have too many memories to share, but some of favorites involved music (singing in the car at the top of our lungs, listening to new music from local artists, going to concerts together and making sure we got home safe), and watching movies....so many movies. I don't think I can listen to my mp3s without crying anymore. I am praying for your family and those of us left behind, that we may be able to see you again on your eternal beach in the next life. I will always love and miss you. Pegs
