Kayla, I still can't wrap my mind around it, why this happened is beyond our understanding. All I know is that you will be missed greatly. You were a wonderful person and an amazing friend. I will never forget how you use to call me your little grimlen and braid my hair in french braids. I hope that God gives comfort to the Dearman family at a time like this. May God have you in his glory. You will always be in our hearts.

To the family of Ms. Kayla Lynn Dearman. Please accept my sincere condolences for the loss of Kayla. She was so young, just beginning her life; I'm sure she had dreams she wanted to make come true. She didn't get the opportunity to follow through with them. The Bible tells us that we have hope of seeing our loved ones again. John 5:28, 29 tells us that the memorial tombs will be opened and all those righteous and unrighteous will be brought back to life. What a wonderful time that will be!! God gives us that hope; he helps us when we pray for his guidance. God helps us to become strong to make us through a difficult time such as this. I hope my words of comfort will help Ms. Dearman's family and friends through this difficult time. From a very sincere Bible student.

I got to know you from 4th hour and I thought you were so precious when you smiled. It seemed like you always had a great attitude. I remember you in your uniform and thinking how good you looked with your hair in a bun. I also liked that you were always reading a book. You will be missed. Mrs. Linda (Para)
