Beverly, My heart and prayers are with you and your family. Uncle John was my hero all my life and I'll miss him deeply. He was my inspiration even though he was far away. He is now reunited with his mother, whom he deeply missed all these years. They were the two most important people in my life. They made me what I am today. I will visit Maryellen this weekend and give her the news in person. I don't want to call her on the phone with such sad news. If you need anything, please call me. All My Sympathy & Love, John Chowaniec
