Dear Steve and family, I was so very sorry to hear of Jeanne's passing. She was very nice to work with. And I very glad that I got to work with her just recently. We went to lunch and I got to see her Saints memorabilia book with all the pictures of the game. She was proud of that. My prayers are with you.

Steve, David and Family, My first message got lost. I am still in shock over the loss of a very dear friend. Jeanne had such a sweetness about her, always smiling, always ready to help anyone and never put herself first. Through WNIFC we have all made some lasting friendships. Jeanne constantly talked about her family and of course her grandchildren. I will see you all Sunday. Louise Gibbon
