"The laughing lady", that is how I remember Mrs. Diedrich. That goes all the way back to my family's days in Thessaloniki, Greece, where my father and Mr. Diedrich used to work at Ethyl. We kids loved having them over and Mrs. Diedrich's laugh was unforgettable. Thanks for brightening our lives.

The Pogue family deeply regrets the passing of Alida and sends deepest regards to her family. We remember Alida as a lovely and attractive person with a sweet, kind disposition which seems to run in the family. What a smile! The world lost another gracious presence. Kindest regards, Ronnie, Bettie, and family

My deepest sympathies are sent to all of the family who so lovingly cared for and loved dearly Alida. Mama asked about Alida often. We wish that we could be there for you as we did for Elmo, but with the end of school it's difficult. With love, Diane
