I was one of the lucky ones that got a chance to really get to know my grandmother. She was a very special person. I just recently moved back home four months ago. I thought I had enough time to go visit her. Then Sunday I got a call that she passed away. As I was sitting out on the porch crying I asked my self what lesson is there to learn from her death. Live each day as it is your last. Never put anything off until tomorrow. Don't take anything for granted. Grandma I'm so sorry I didn't get to tell you goodbye. I know you are in a better place. I will miss you more than you will know. You will always be in my thoughts. I love you very much! LOVE YOUR GRANDDAUGHTER TRACY DILLON
