Saying the name "Vi" always brings a smile to my face....I had the great privilege of working with her and Exxon and bowling in the company league, too. Her dear friend, Helen Olivier, would bring her to the Krewe of Romany Mardi Gras balls, and we would 'catch up' there. My life is happier for having know Vi....prayers are with the family.

With deepest sympathy. I loved working with Vi at ExxonMobil. She was a wonderful, unique lady! I had been trying to call her the last few years on her Baton Rouge phone number. Think it was four or five years since I last talked with her by phone.
