Wesley, Robbe, and Kelsey, I am incredibly sorry to hear about the loss of your mother. For years, I felt like I was a member of the Dorman family, and true to form, Mrs. Carol always treated me like one of her own. She had a special way of touching the lives of everyone she met, and I know that she will be missed deeply.

My deepest sympathy is with your family today. Carol was a dear friend and many good times were spent in my high school days with her family. Carol was smart, shy and witty, all at the same time. She will always be remembered as a girl who smiled and had a positive personality. I am sorry that I am not there at this time to personally meet her children and family.

I would like to express my deepest sympathy. Over the last year, I got to know Carol for she accompanied her sister Polly at the City of Covington's City Council, BOA and Planning Commissions meetings. I looked forward to seeing what football jersey they we have on at each meeting. My favorites were the Who Dat jerseys and Aburn Outfits. I will miss Carol's joy for she always had something nice to say to me. Nahketah Bagby

Dear Children, Wesley, Robbie and Kelsey. Our prayers & thoughts are with you in the passing of your wonderful Mother, Carol. May the happy times that you all had with your Mom be of comfort in the days ahead. She was truly a fun loving person and so caring of others. I have let alot of our classmates of 1956 know of her passing. She opened her home to our reunions and we all have such wonderful memories of her hospitality toward all of us and she will not be forgotten. Also, we watched all of you grow up into fine young people and have been proud of you. I am extending this from the Springdale Class Reunion of 1956 in her memory. Our prayers with be with all of you in the days ahead. Your friends in Springdale, Classmates of 1956.
