I was shocked and saddened to hear that P.J. had died on Saturday. Afterall, I had just seen him the previous night dancing at Club Silhouette. I did not know him very well but all that I did know was positive. He was always outgoing and friendly to me. I am sure he will be truly missed by many of the Tuesday night regulars at Four Columns.

P.J. will be missed at all of our dance functions. He made all of us smile. He was my favorite waltz partner even though it was not his favorite dance.

To the family and Friends of John you have my deepest sympathy. I always knew John by PJ. I first met PJ at a St.Clement Dance. I was in a Jamaica Dance class with him as well. PJ was a fine up right gentlemen and always was concerned about my well being as a friend. I was shocked to hear of his passing. He looked so healthy and handsome. I will surely miss his presence. May he be in God's loving care at this time. Gayle Key Harvey, La

PJ was a dear friend of ours and we will miss him greatly. We first met him as a student of ours at the Jamaica Dance Club and have continually interacted with one another. He was a wonderful dancer and an exemplary person. A true southern gentlemen. May he rest in peace. He will always remain in our hearts. Hopefully, his family will feel comforted in knowing he brought happiness to many and had more friends than any one person could ever hope. We'll miss you PJ..... Respectfully, Arnold and Kathy

I am so sorry for your loss. PJ will be missed in my dance circle greatly. I really enjoyed dancing with him and listening to his adventures with his horses and "working the land". He was excited when he talked about his vegetable garden he was preparing. I know he is at peace and with your mother and grandmother. What do you think she would say about that hair cut! His job is done...well done....those left behind have the hard job. You all will be in my prayers.
