I met you many years ago through a prior friend at Parish Glass in Slidell. Came fishing at your camp on Rats nest Road, you were a very giving person, and I will remember you for that, and your smile lit up a room when you walked in. Today I say goodbye to an old but dear friend. Memories of you will remain forever in our hearts. Till we meet again Glenn.

Dearest Debbie, Richard and Pam, My heart goes out to you all. Glen was a wonderful person. You guys as sister, brother and wife have been so fortunate to have had such a special man to love and love you back. Even though I have spent very little time there over the years I know the love was true and the loss is great because I knew Glen. My memories of Glen go back to when I was an impressionable teenage girl and he was the most considerate guy. He was someone every parent might hope their daughter was around. He was fun, but sensible. He made a person feel good. I know he carried this same warmth throughout his life. Just thinking of him makes me smile. May you have the strength and courage to carry you through this most difficult time. Your friend ("Sparky's " little sister) Gwen
