Tiny Angel rest your wings sit with me for awhile. How I long to hold your hand, And see your tender smile. Tiny Angel, look at me, I want this image clear.... That I will forget your precious face Is my biggest fear. Tiny Angel can you tell me, Why you have gone away? You weren't here for very long.... Why is it, you couldn't stay? Tiny Angel shook his head, "These things I do not know.... But I do know that you love me, And that I love you so". Author Unknown Colston, We waited so long for you and only got to be with you for such a little while. We long to hold you close and see you smile. We wish you could have stayed with your sister, Claire and watched you grow side by side. But this was not to be, we will often wonder why. There is no answer, and for now we will have to take comfort in knowing that you are our tiny angel in God's loving care. Grandson know that you will always be in our thoughts and hearts. We will love you forever. Honey and Pops.
