George was a one of a kind person who will be truly missed by all. He was always so upbeat, smiling and could lift anyone's spirit. Some of my most precious memories with George were on the float. Every year when we were done riding and headed back to our cars, he would come hit up me and my girls for food. In fact, one of my girls even started packing extra sandwiches just for him. Another great memory was when I was just a teenager taking the lifeguard class @ LOP. I was a partnered up with George and Adam, need I say more. I had to straddle George across my back and attempt to carry him out of the pool, notice I said attempt. He was laughing the whole time with that chuckle. Good times! My thoughts and prayers are with Freddie, Lindsay, Dustin, Leanne and their families. Love ya always!

Dustin, Freddie, and Lindsay: I was shocked and saddened to hear about George's passing. Although I only knew him for a short time, I thought of him as a caring, warm-hearted, fun-loving guy and we definitely had fun hanging out and drinking Bud Lights together at LOP. I know you guys will miss him greatly and you are lucky to have had someone as cool as him for a Dad. May he rest in peace and may the good memories help everybody get through this tough time.
