Dear Ms. Pat, I am very sorry to hear of your loss, I know this time is very difficult for you. Although, you know he's in a much better place now, we always feel better being able to see our loved ones. Take comfort in the Lord, for he knows your heart and he will give you the strength you need at this time. Although, I'm not in abita any longer, I have been following his progress with the girls there. Again, please accept my condolences for your lost.
