Dear Karen and Family, I just returned from New Mexico and learned of Kathleen's death. Please know that my thoughts and prayers are with all of you. Kathleen took care of my mother several times when she was hospitalized at St. Tammany. I have wonderful memories of how caring and loving she was to my mother as I am sure she was to all of her patients. She was certainly missed by many people when she retired from the hospital as I know she will be missed by you now. Hopefully, knowing that the memories of her kind ways will remain with many people will help you through this difficult time. With love and sympathy, Marian Arrowsmith
