Kelley, you will always be remembered as such a beautiful woman, both inside and out. The way you treated others is such a great example for us all. I can only strive to live my life as close to what Jesus would do, just like you did. I love you and will miss you dearly in my life. Who is going to call me on my birthday and sing "Marilyn Monroe style" to me? Your legacy lives on in my heart and in my life and the life of my family, including my children. I look forward to the years of watching Bailey grow into a woman herself and being a part of your life. Your example of being a mother has taught me so much. Until we see each other again, my friend.....

Mr.Charles & Mrs. Jackey, We are truly broken hearted for your family. Saying we are sorry just isn't enough. I can say that the two of you have done a fantastic job teaching Kelley. She has always been such a great person with such a beautiful spirit and soul! As I try to understand why God would take her from everyone here, I can only reason that she accomplished everything that God expected from her and he was ready to reward her for all her great deeds. Although that doesn't help us... we have to BELIEVE as Kelley did in the Lords Will! Ours heart also ache terribly for Bailey. She is such a wonderful little girl with such a kind heart just like your mom and should not have to be enduring this pain. Please know that there is nothing in this world that Topo, Ave & I wouldn't do for her. We love her!! May God give you the strength, courage, faith, and peace to get through this difficult times. Our deepest thoughts and prayers are with you. Always, Ave, Kelly, & Topo

It is ashame that our families have grown so far apart - not like when you guys were growing up. I know Bailey has a new angel in Heaven with Anna Mae. I am so sorry I am unable to attend the services - I have a work conflict.
